**Purchase Provisions:** The *Trends Shaping U.S. Pharmaceutical Industry Strategies* report, Tenth Edition, is a confidential, copyrighted multiclient report of MMC International ("MMC") sold on a non-exclusive basis to a number of subscribers. Report utilization is restricted by the subscription agreement: individual, site license, or company wide. The report may not be shared with third-party consultants without the prior incremental payment (which may be set at MMC International's sole discretion) and express, written authorization of MMC International, which reserves the right not to grant permission. The copyright and disclaimers contained in the report are incorporated as part of the purchase agreement. The purchaser of the report is responsible for payment of state sales tax, if due. The principle of force majeure applies to all phases of this project.
